This is to certify that candidate has completed an online Assignment based **Web Design** Internship with AICP Private Limited for a duration of three months, starting from June 2024. Candidate contributed significantly to the design and development of our web projects. Candidate key responsibilities included:

- **Web Design & PHP Development:** Creating and optimizing both the front-end design and back-end components of web applications using technologies such as HTML, CSS, JavaScript, and PHP.
- **User Experience (UX) Enhancement:** Collaborating with the team to ensure user-friendly interfaces and experiences across web platforms.
- **Integration & Testing:** Integrating third-party APIs and conducting thorough testing to ensure both aesthetic and functional excellence.
- **Code Management:** Utilizing Git for version control to manage code changes and maintain seamless collaboration.
- **Debugging & Troubleshooting:** Identifying and resolving design-related and PHP development issues to enhance the user experience.

Candidate creativity, technical skills, and dedication to web design and development were highly appreciated. Their contributions greatly enhanced our web projects, and we wish them continued success in their career.

Sincerely,
